A detailed interaction interface featuring several UI elements:

- At the top right, a row of three horizontal bars: a long gray bar, a shorter gray bar, and a long gray bar with a black checkmark icon.
- Below these are two rows of horizontal bars, each with a black checkmark icon on the right side.
- To the right of the second row is a small gray rounded rectangular button.
- In the center-left area, there is a small gray circle with a white 'i' icon.
- At the bottom, there are seven small rounded rectangular buttons arranged in two rows of four. The first button in the top row is highlighted with a green border and has a black target icon. The other six buttons have purple target icons.
- Below the bottom row of buttons is a large, semi-transparent white box with a thin gray border, containing a shadowed effect.

The main workspace consists of two main sections. The top section displays a grid of cards, each containing a small icon (person, briefcase, clipboard) and several horizontal bars of varying lengths. The bottom section shows a timeline view with vertical bars of different heights, representing time or progress. A search bar with a magnifying glass icon, a bell icon, and a dropdown menu are located at the top right. Navigation arrows and a date icon are also present on the right side.

Top right corner shows a user profile icon and a dropdown arrow.

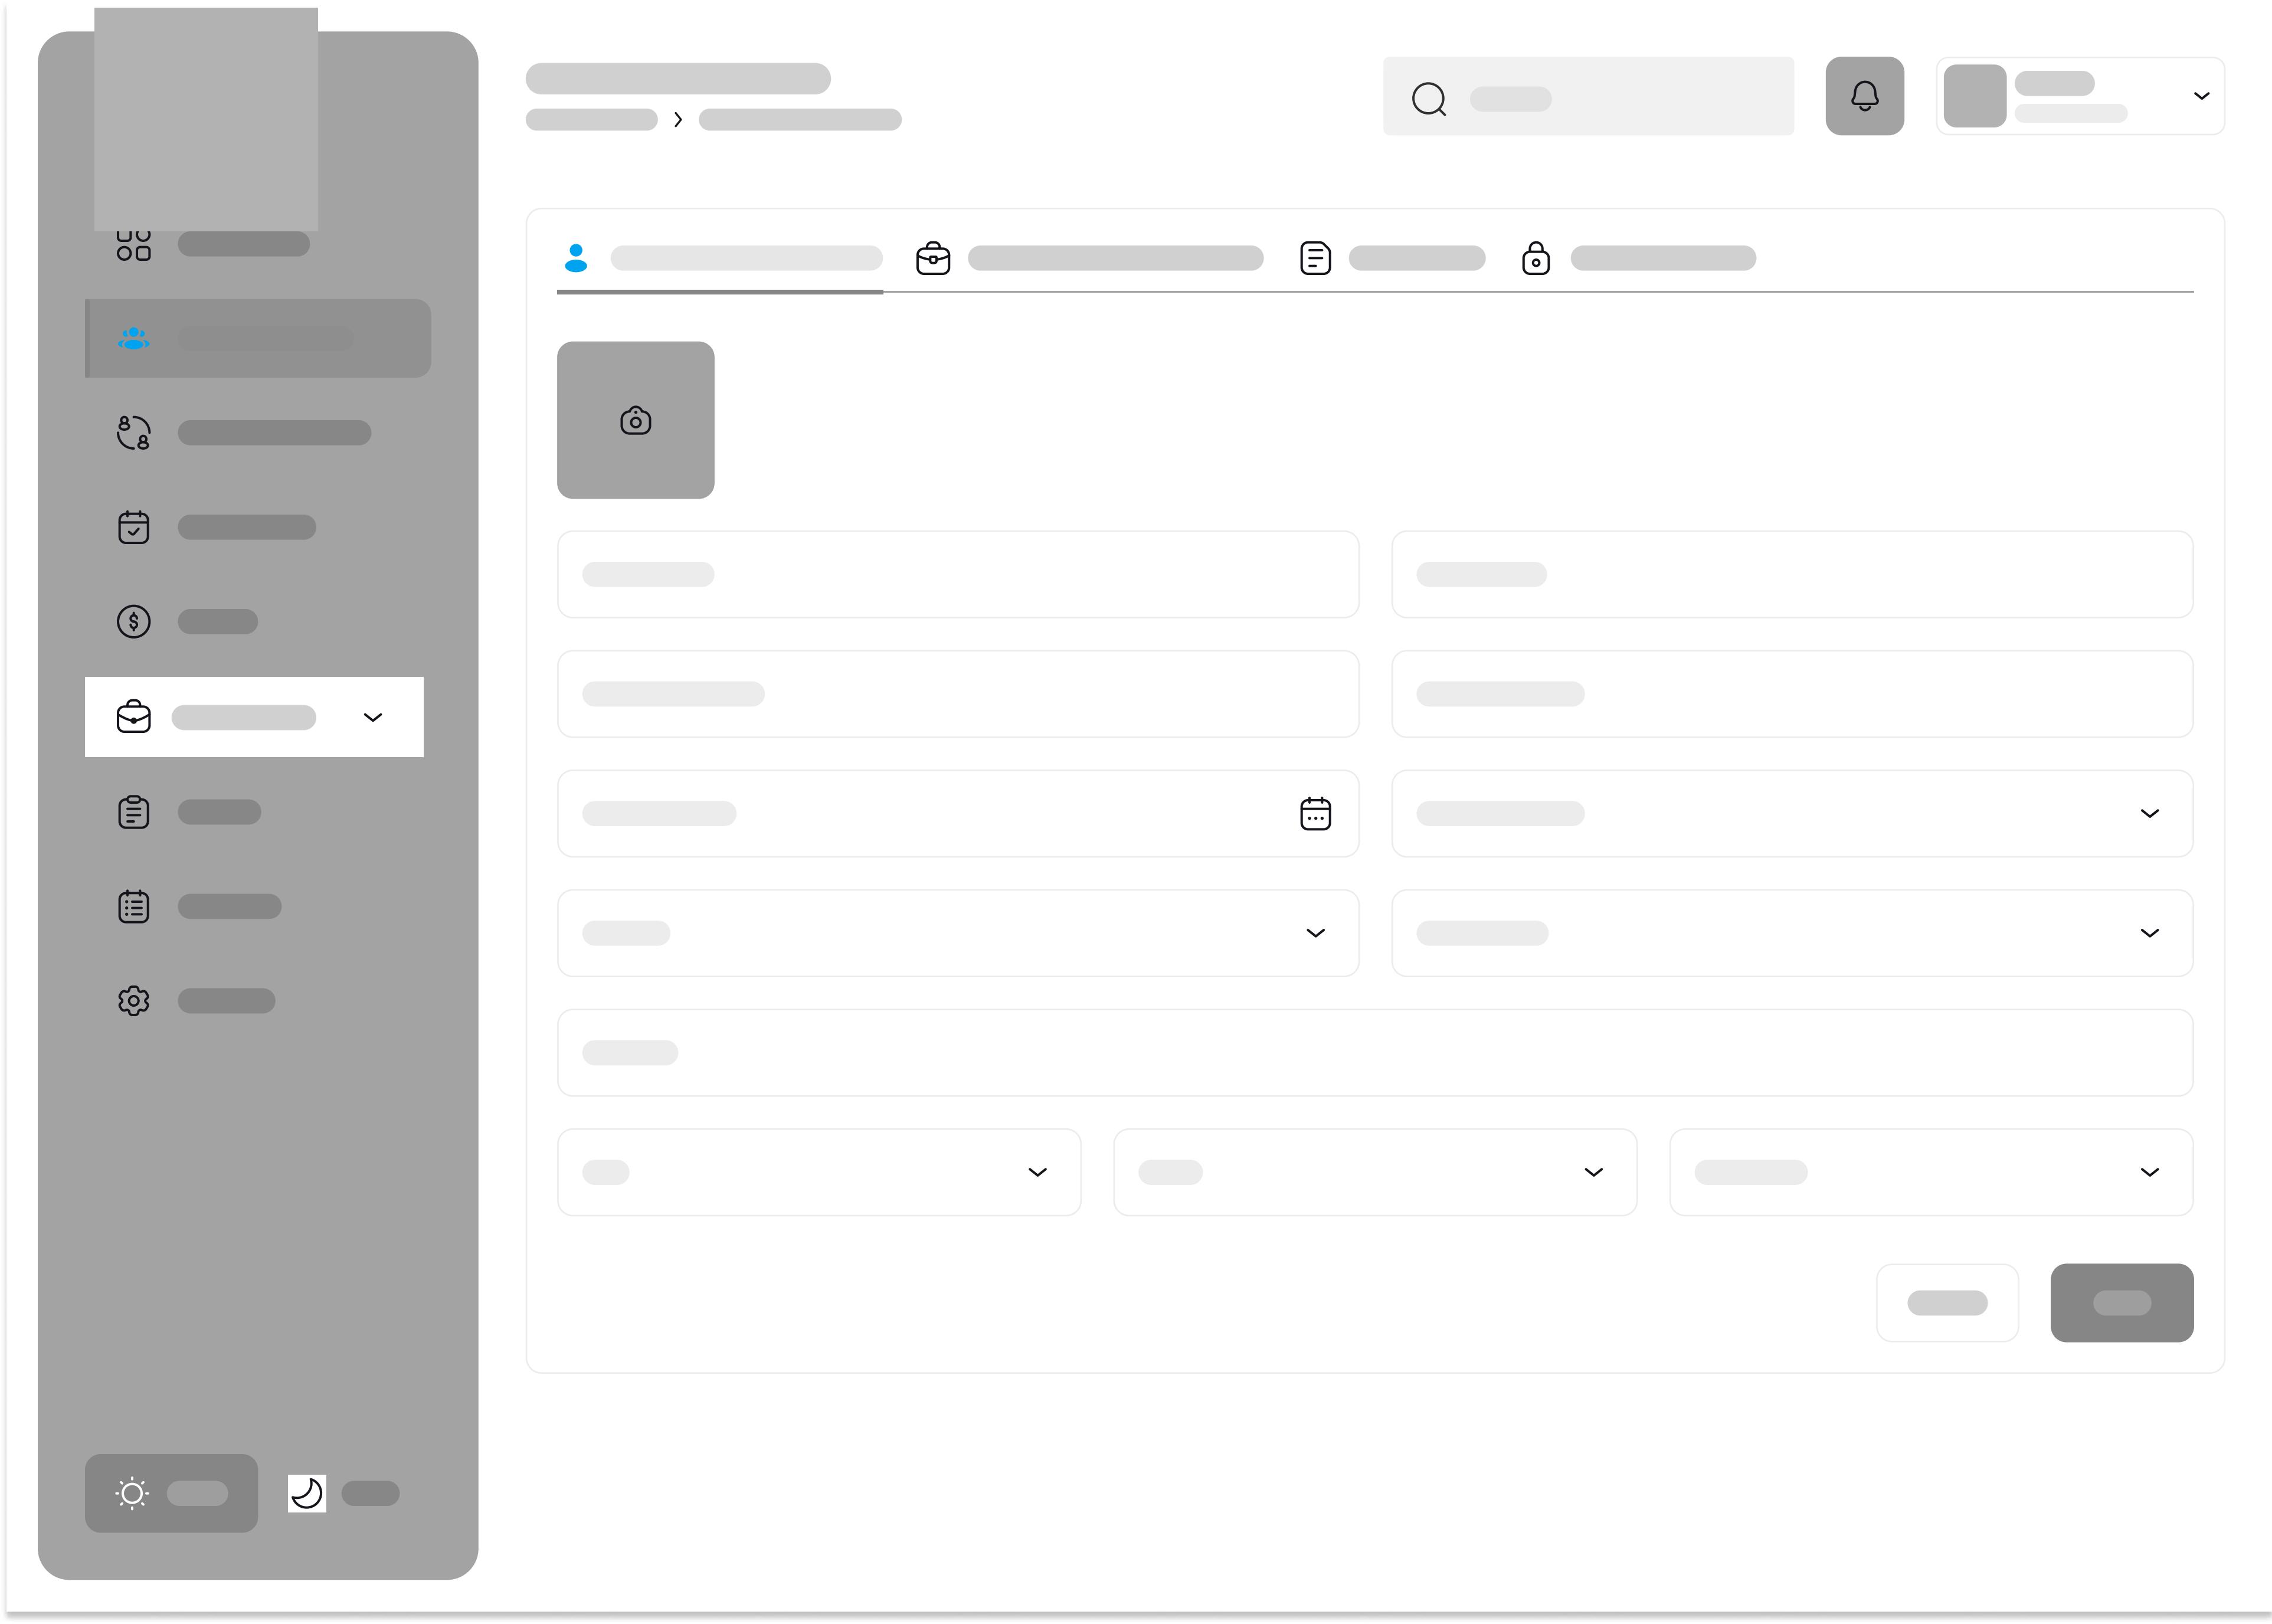

Left side of the main area has a search bar and a plus sign button.

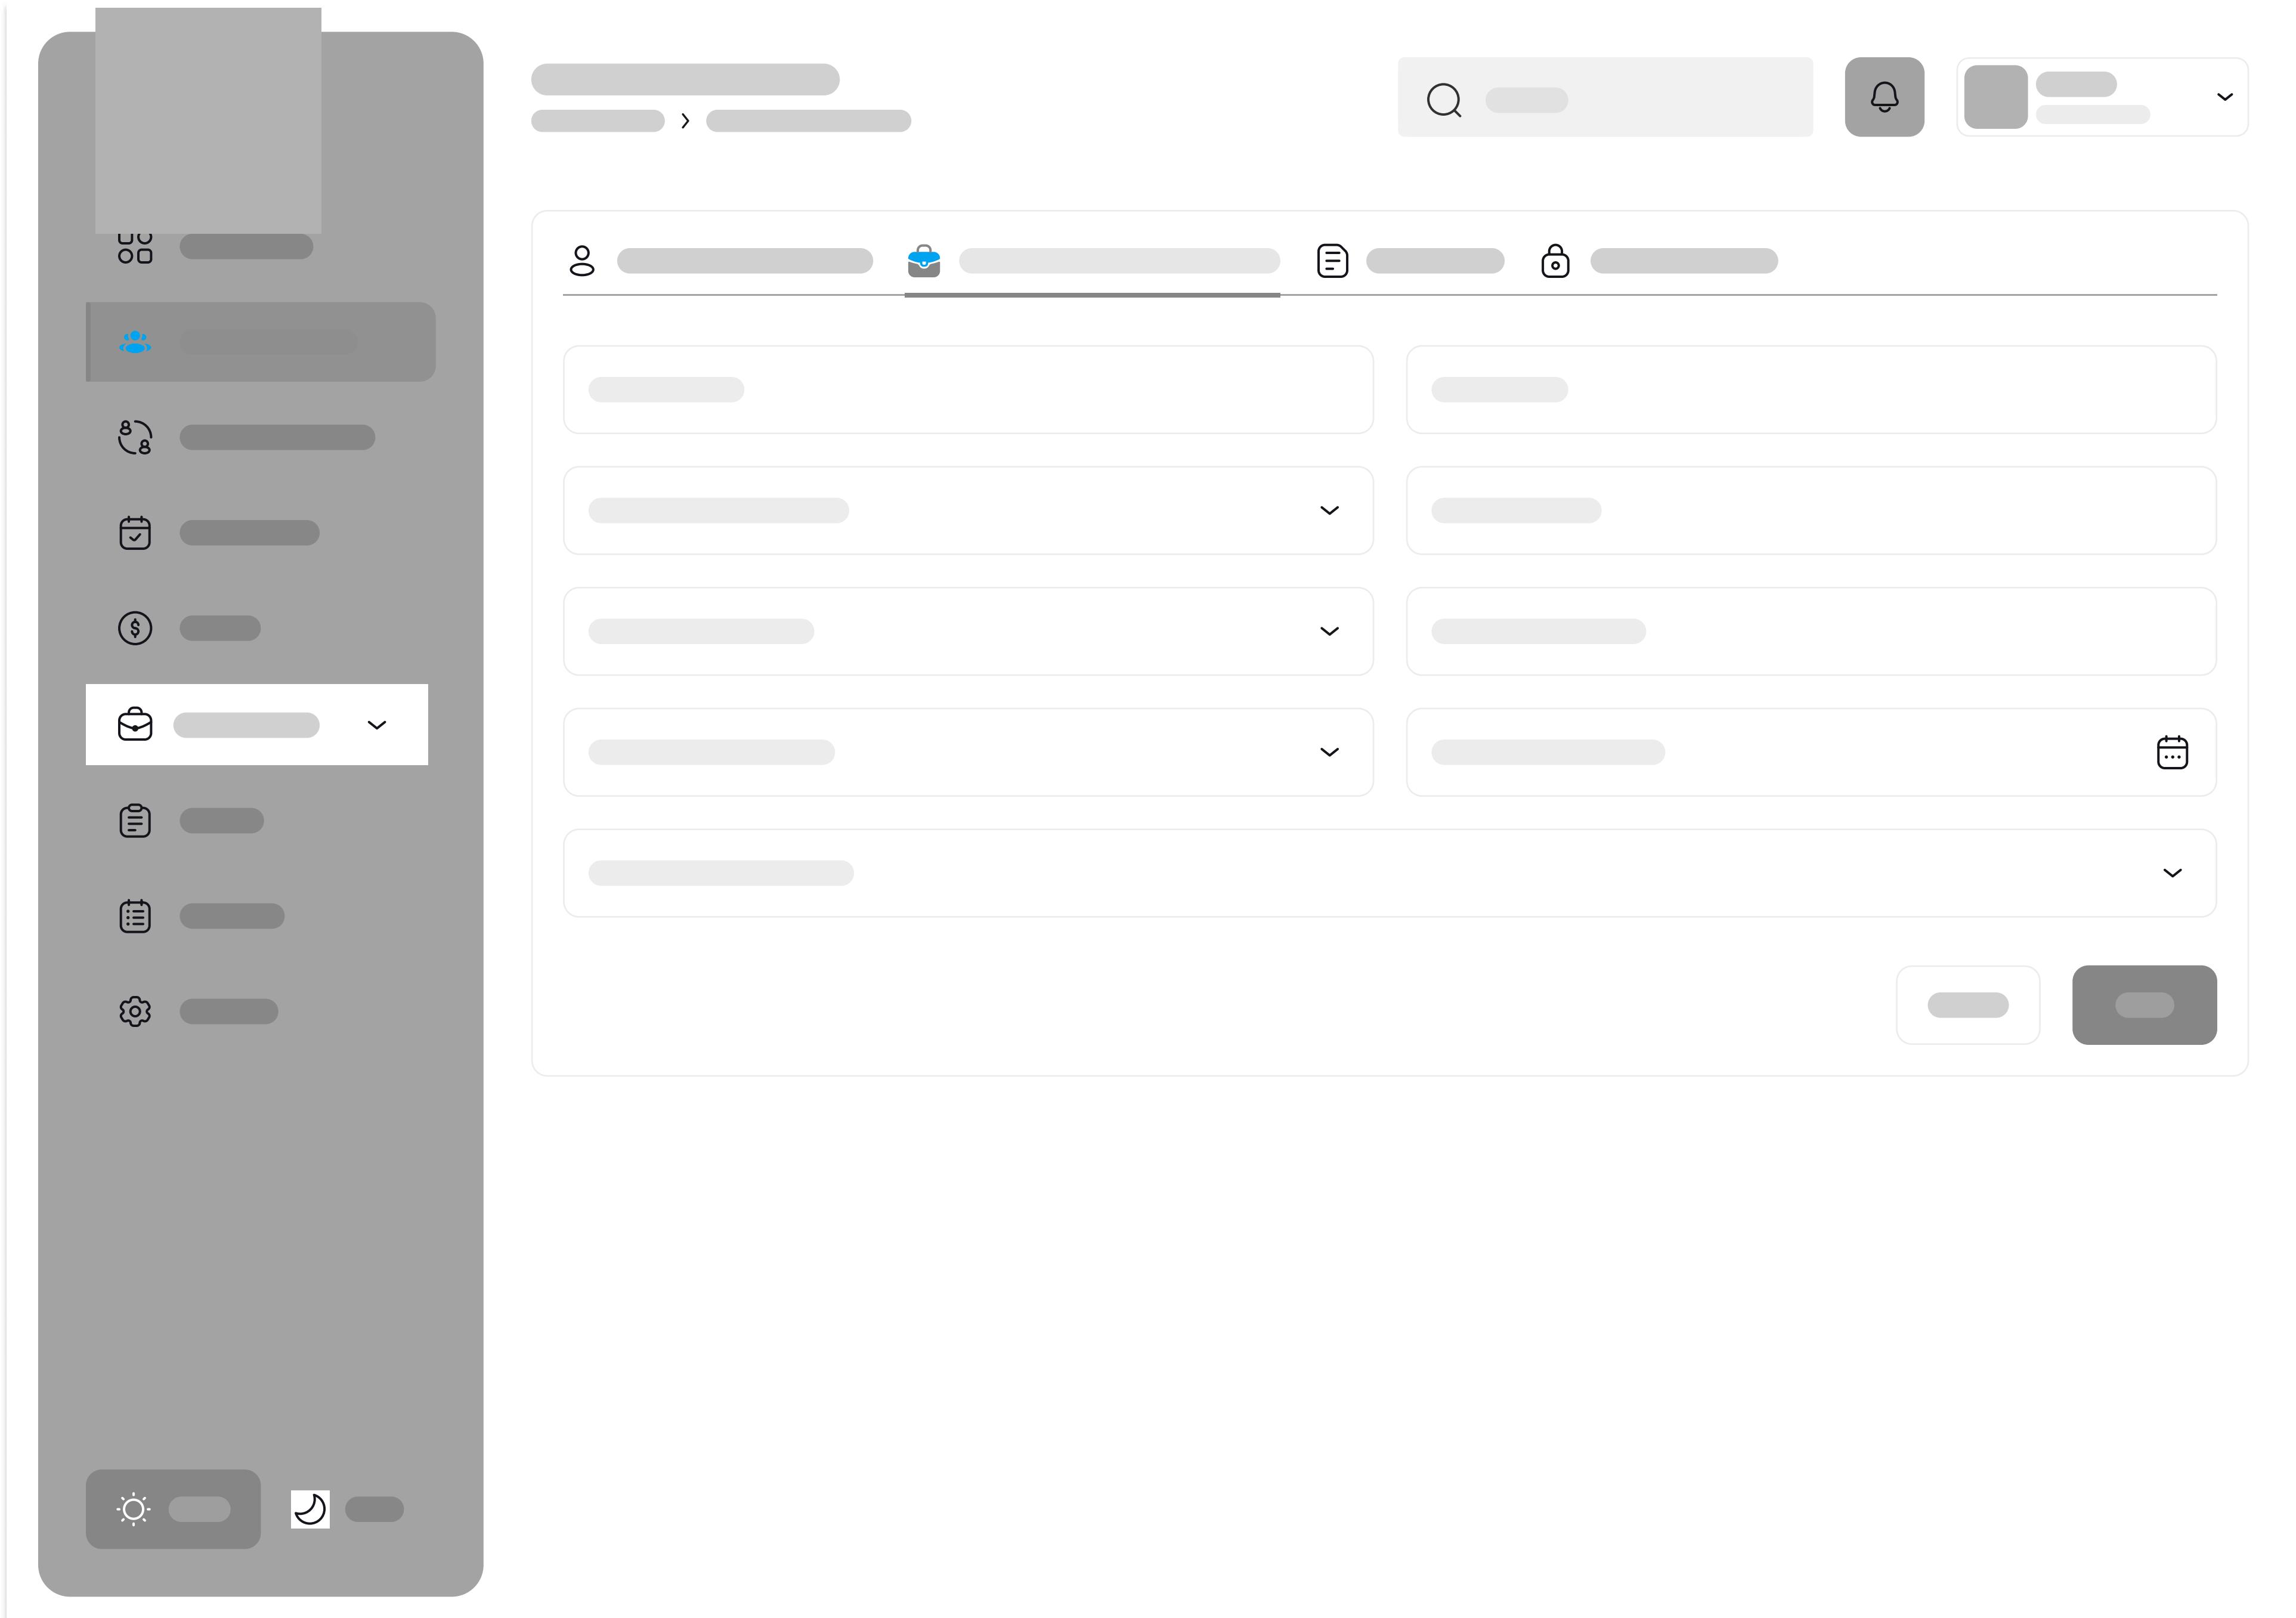

Right side of the main area has a filter icon.

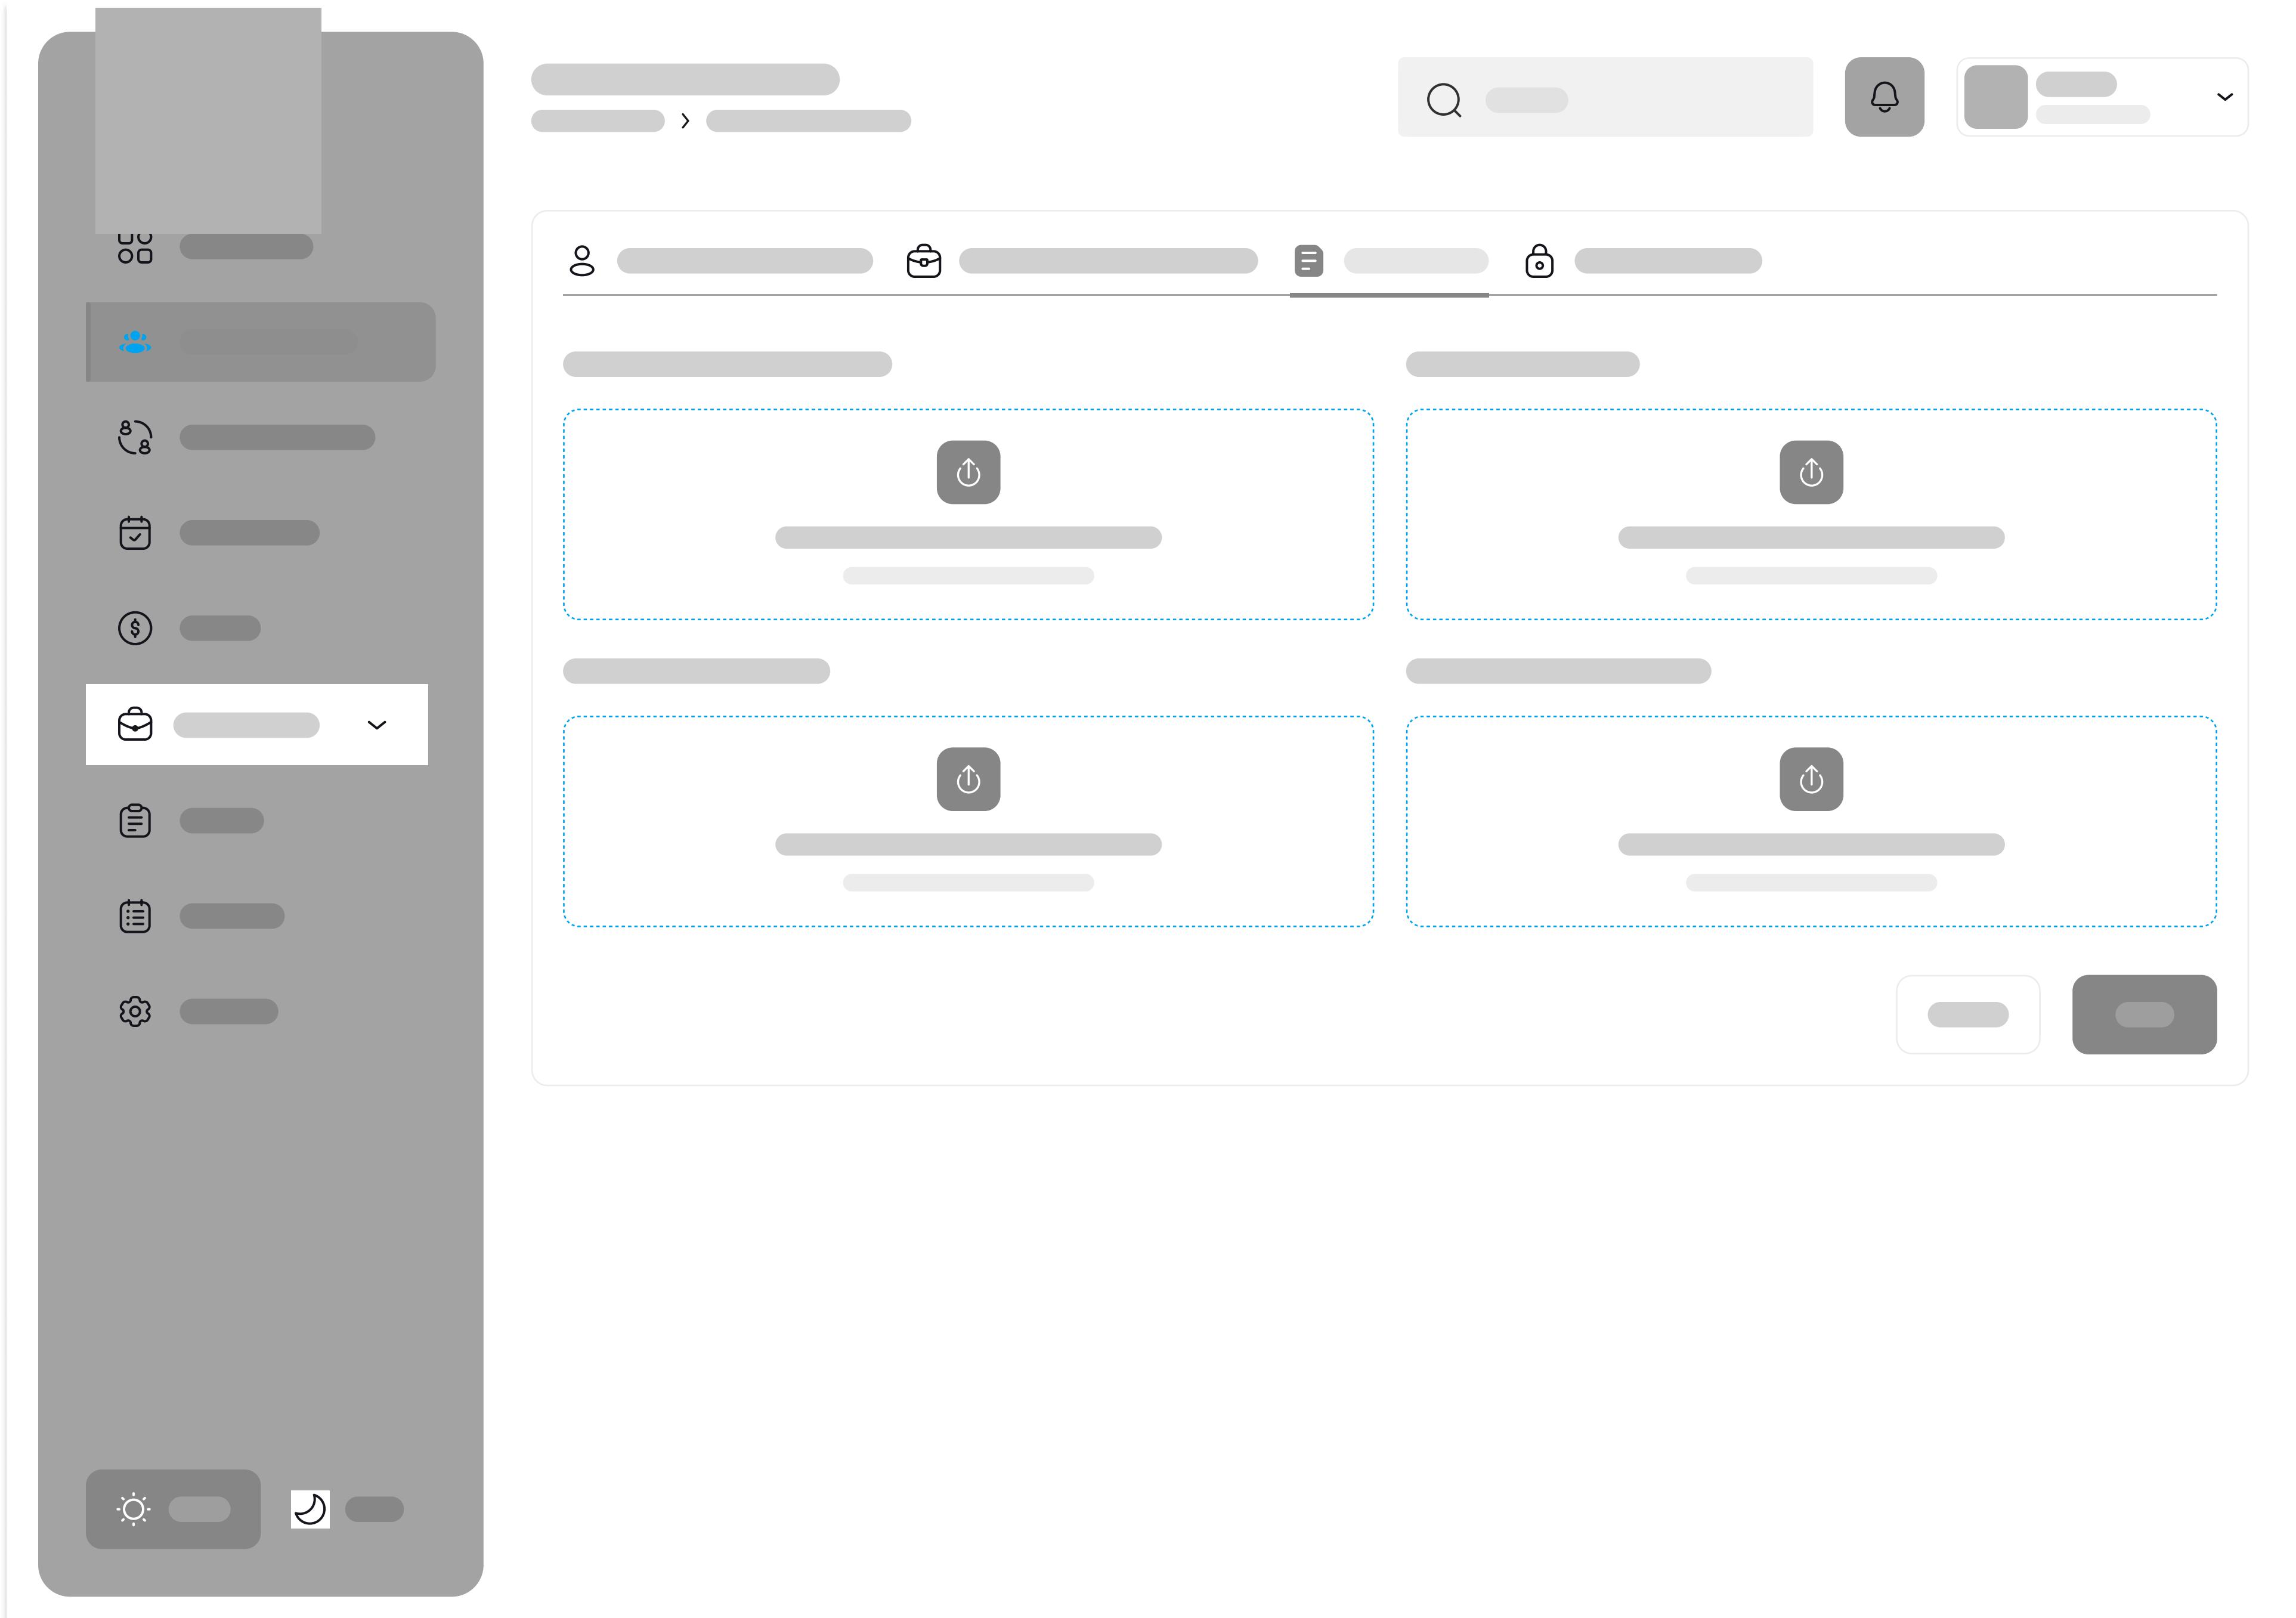

The main content area displays a grid of 12 user profiles, each consisting of a small circular profile picture and three horizontal gray bars below it. To the right of each profile are three icons: a eye icon, a pencil icon, and a trash bin icon.

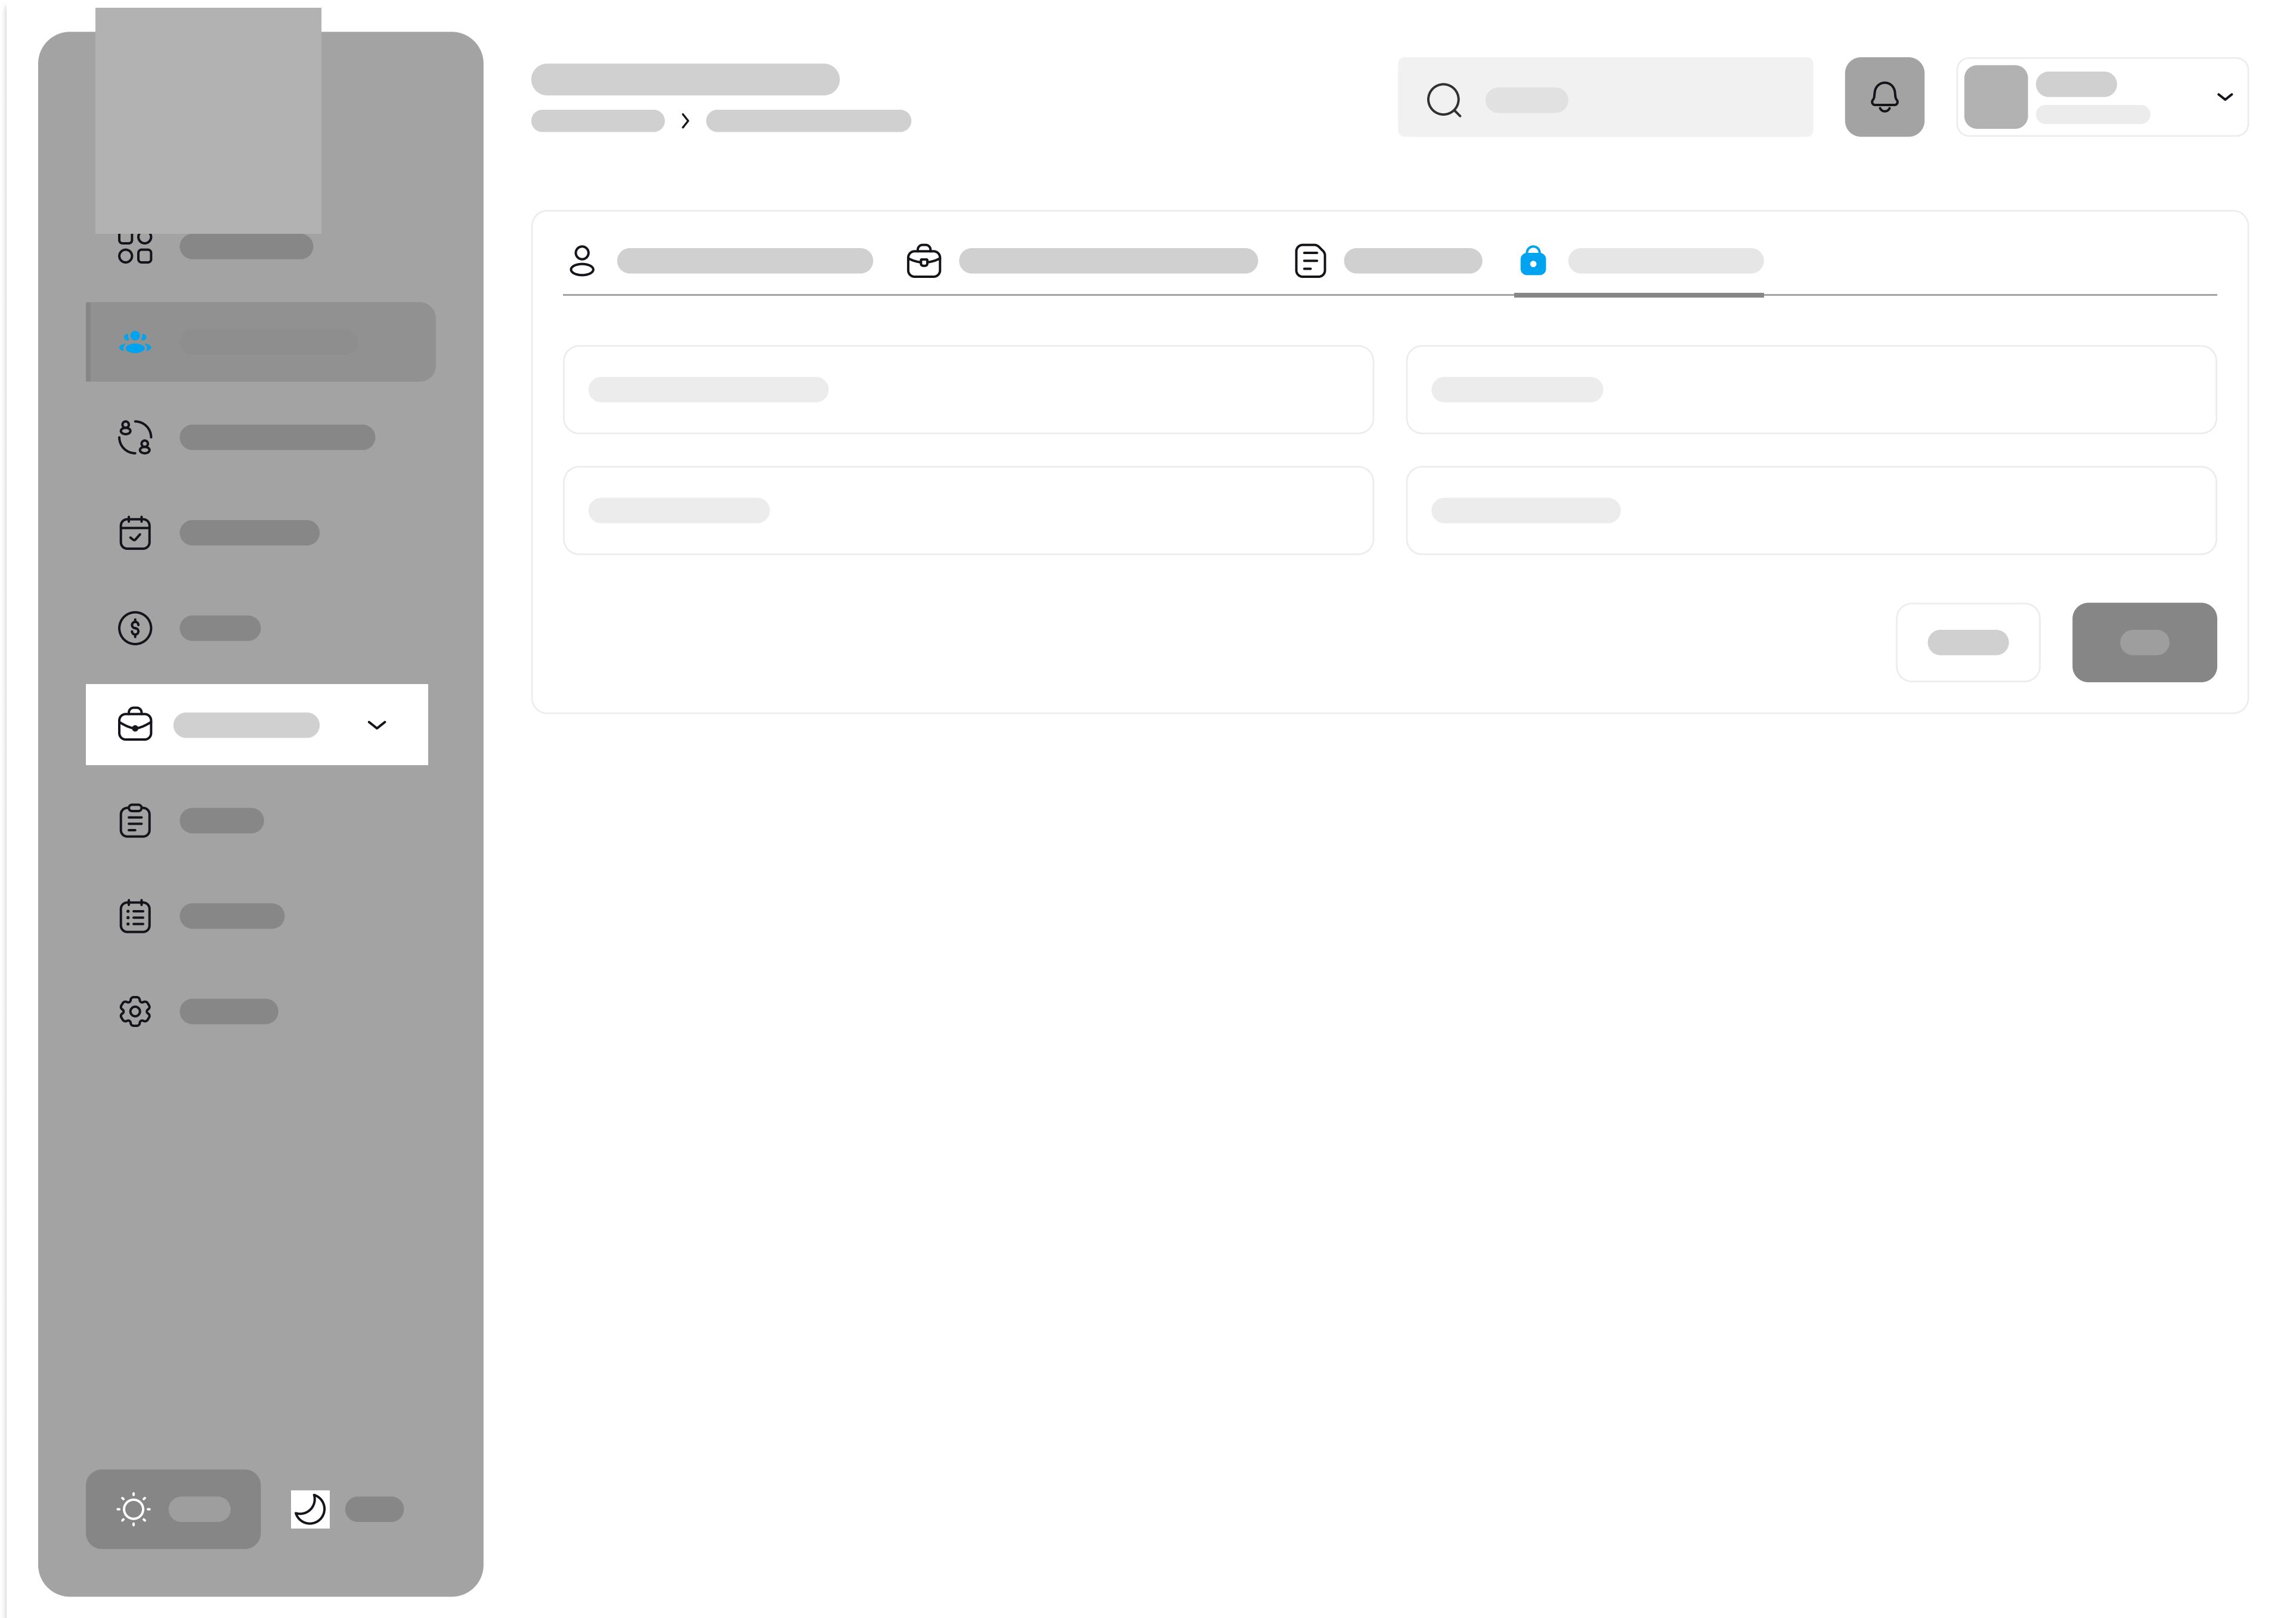

At the bottom left, there are two toggle buttons: one with a sun icon and another with a moon icon.

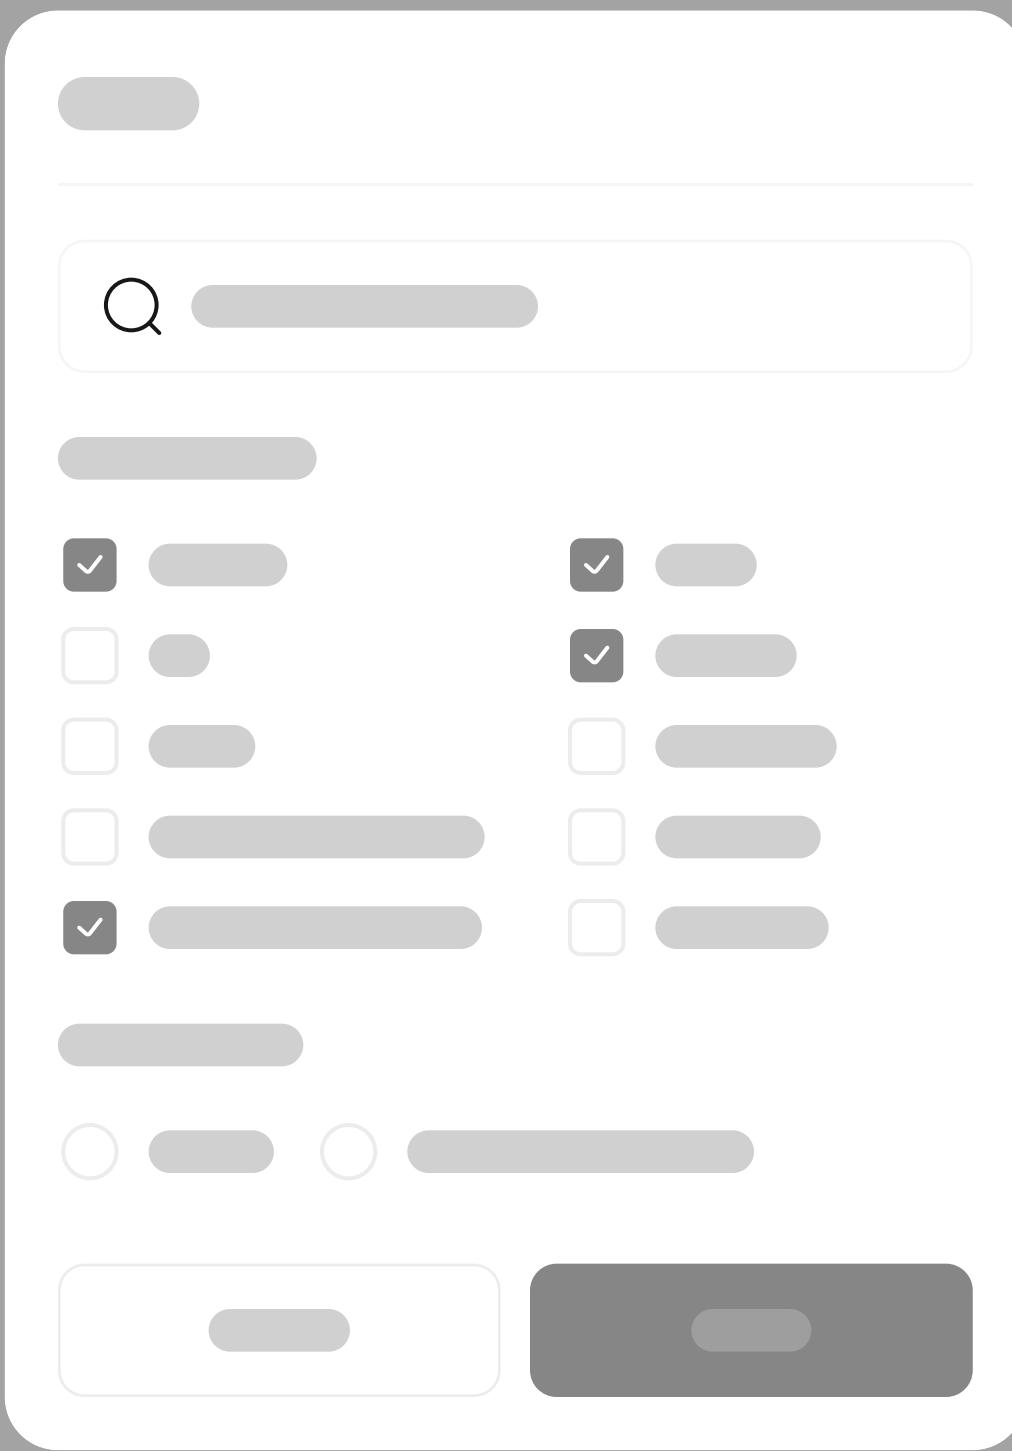

At the bottom right, there is a navigation bar with arrows and a central button.

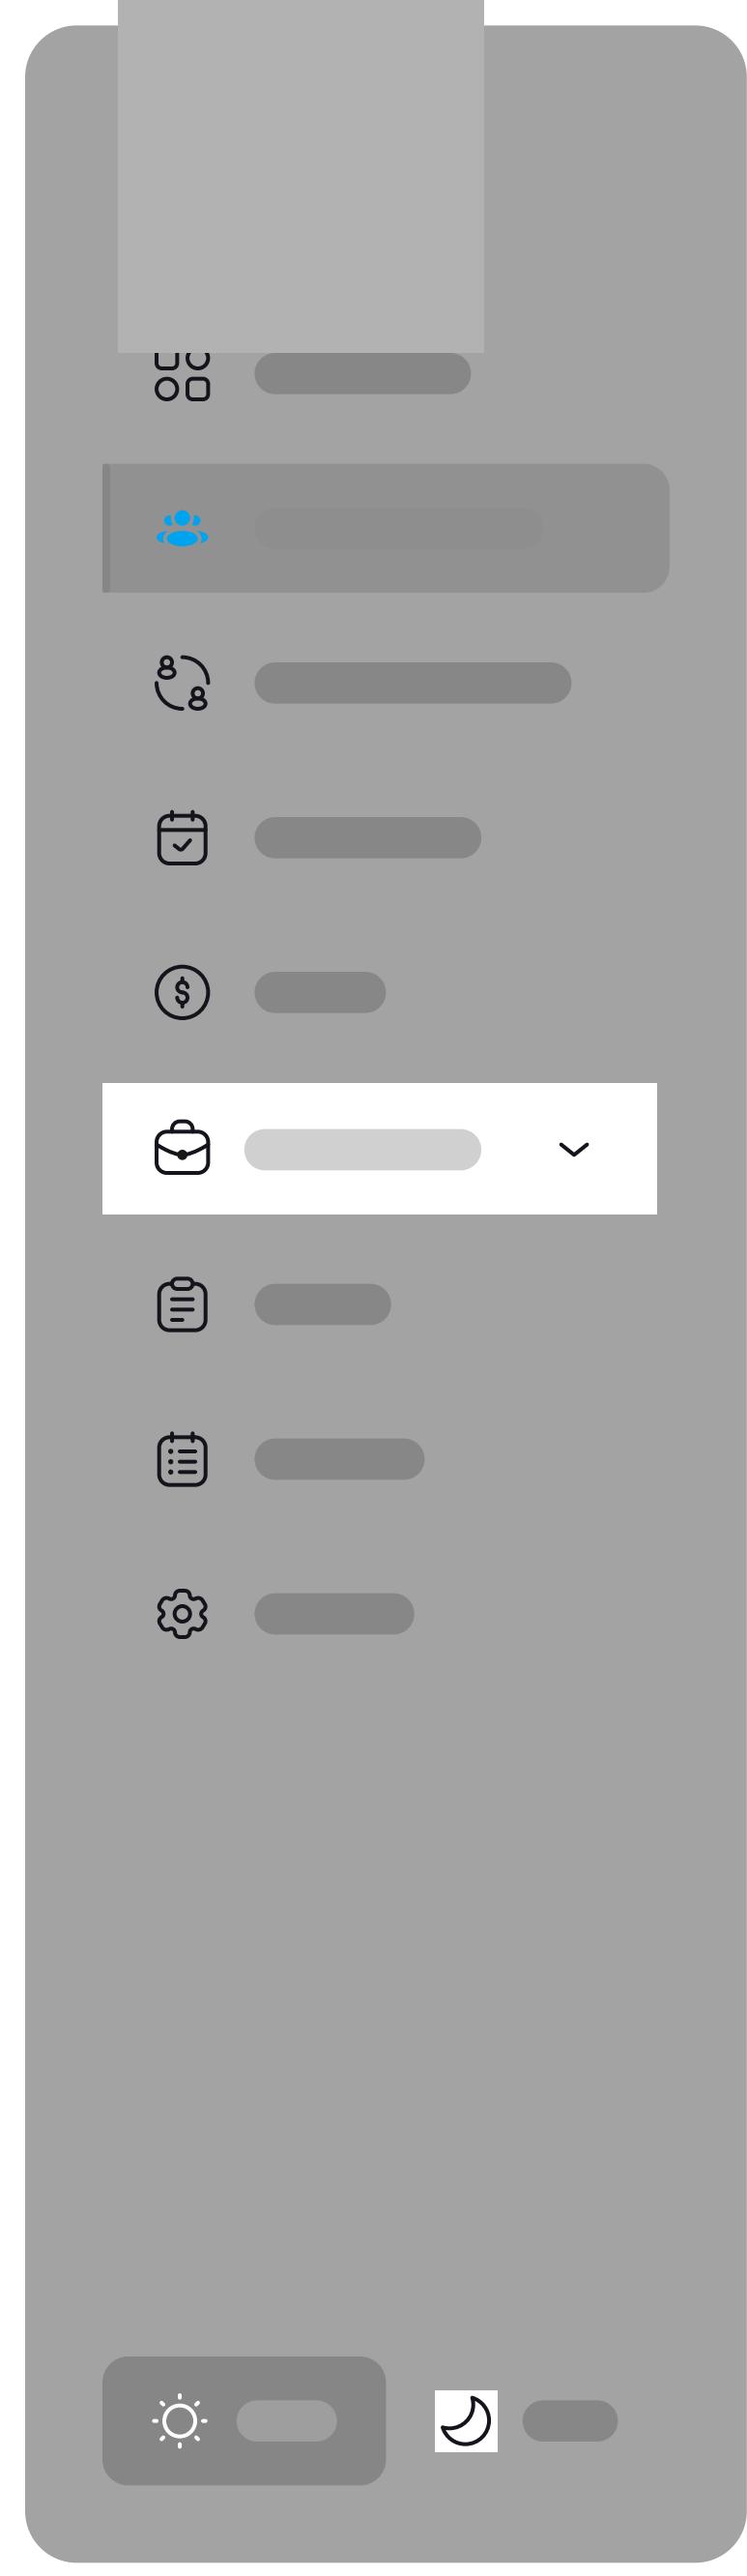

The image shows a mobile application interface. At the top, there is a navigation bar with three items: a back arrow, a forward arrow, and a search icon. To the right of the search icon are a bell icon and a user profile icon. Below the navigation bar is a search bar with a magnifying glass icon and a dropdown menu.

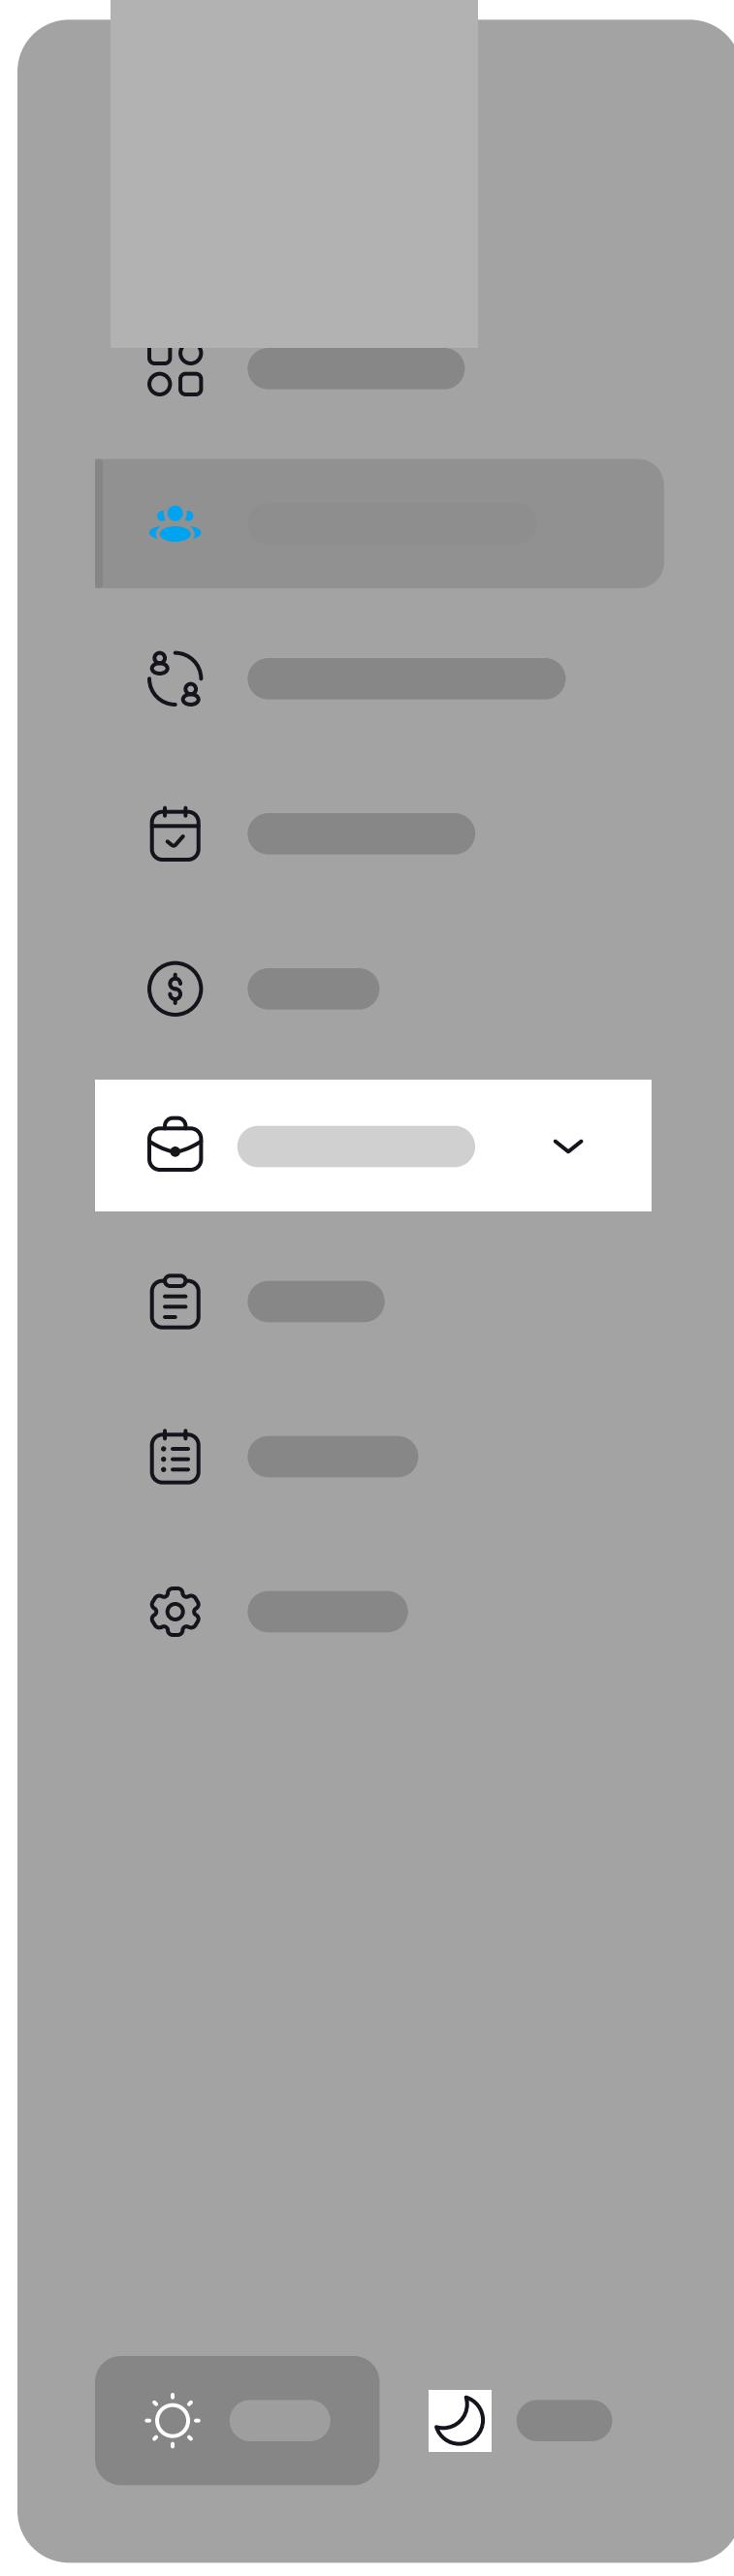

The main content area displays a list of items. Each item has a large gray placeholder image on the left and a detailed card on the right. The card includes a small profile picture, a briefcase icon, an envelope icon, and a blue edit/pencil icon. Below the card, there are several horizontal gray bars representing different fields or sections for each item. The items are organized into two main columns: one on the left containing five items and one on the right containing four items.

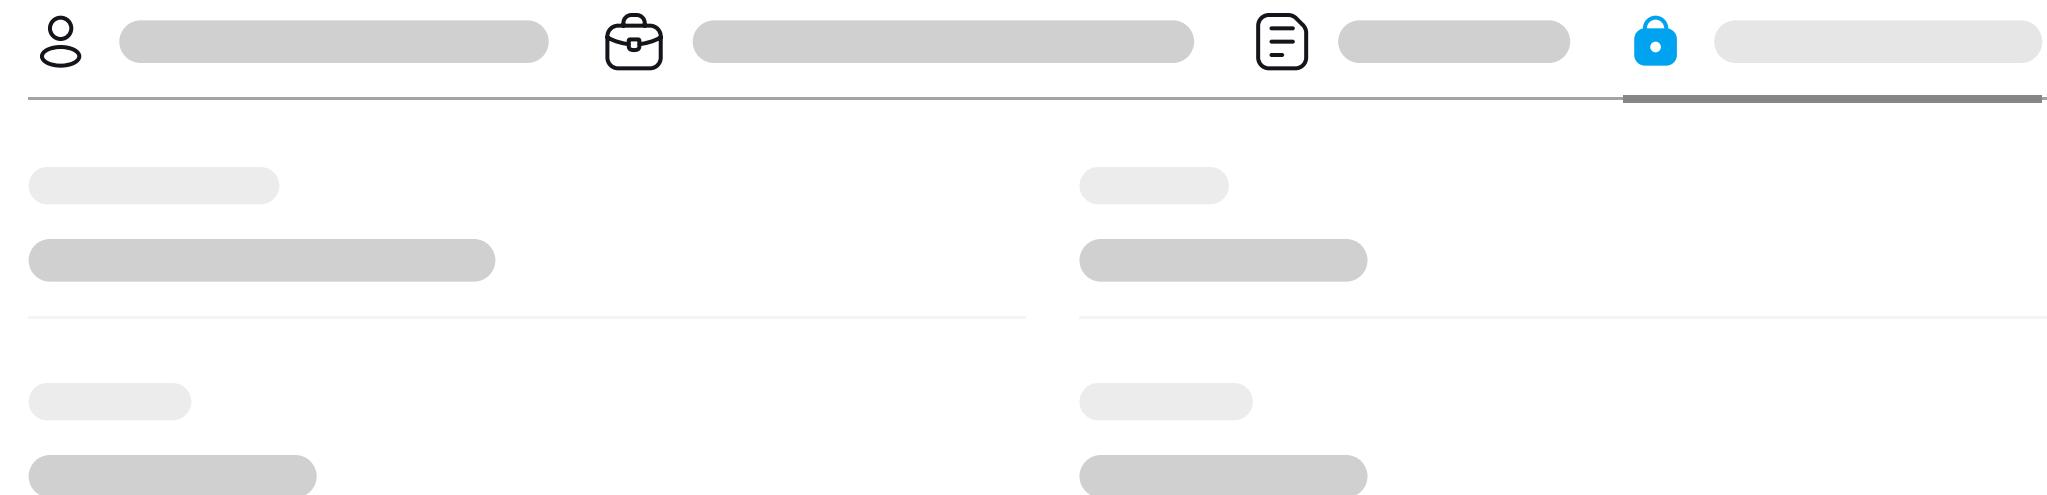

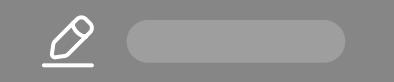

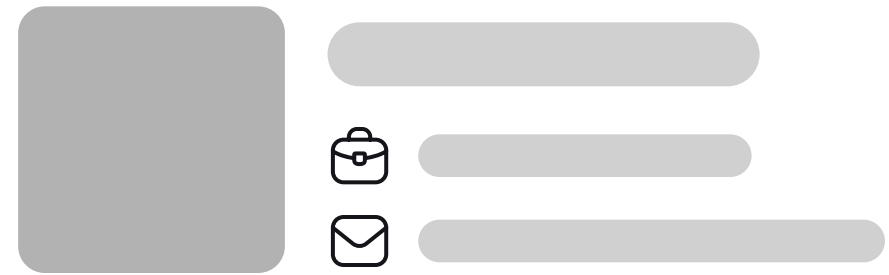

The interface features a top navigation bar with a search field, a bell icon, and a user profile. Below this is a list area containing several items. Each item has a large gray placeholder image, a small icon (briefcase, envelope, person, calendar, dollar sign, etc.), and a long gray bar. To the right of each item are three small buttons: a magnifying glass, a downward arrow, and a pencil.
