Perks & Benefits

This job comes with several perks and benefits

Full Healthcare

We believe in thriving communities and that starts with our team being happy and healthy.

Unlimited Vacation

We believe you should have a flexible schedule that makes space for family, wellness, and fun.

Skill Development

We believe in always learning and leveling up our skills. Whether it's a conference or online course.

Team Summits

Every 6 months we have a full team summit where we have fun, reflect, and plan for the upcoming quarter.

Commuter Benefits

We're grateful for all the time and energy each team member puts into getting to work every day.

We give back

We anonymously match any donation our employees make (up to \$/€ 600) so they can support the organizations they care about most—times two.

Stripe

[Read more about Stripe →](#)

Stripe is a technology company that builds economic infrastructure for the internet.

Businesses of every size—from new startups to public companies—use our software to accept payments and manage their businesses online.
